

A Big Wheel RV Park Pet Policy

Updated 3.21

We are a pet friendly park, but not everyone is a pet person. The following park policies are in place to ensure everyone is able to enjoy the park.

- Pet owners are responsible for picking up and disposing of pet droppings immediately. Any owner not cleaning up after their pets will be asked to leave with no refund.
- Droppings must be bagged and disposed of in the dumpster and or designated containers.
- Do not walk pets on any other campsite, occupied or unoccupied.
- Owners are required to be present at all times when using an outdoors enclosure.
- Pets must be confined to your RV when owners are away.
- Constant disturbances such as barking, growling or whining will not be permitted. Any aggressive behavior towards other pets or guests may be asked to leave with no refund.
- There is a limit of two pets per site and must be either dogs or cats.
- All pets must be current on all vaccinations.
- All pets, including cats, must be kept on leashes when outside RVs and must be under the positive control of a responsible adult at all times.

Owners who fail to comply with the pet regulations will be asked to vacate the park with no refund.
